Lightnin’ Grip Loader

Adapter #25

S&W Victory

Adapter INSTRUCTIONS

for S&W Victory

Hold the loader in your left hand, and press the adapter lock with your thumb. With your right hand, hook the Mag Adapter into the top of the Lightnin' Grip Loader and swing the bottom into the slot. Take your thumb off of the lock button. It should pop out to the locked position when the adapter is in fully seated.

Insert your magazine through the small ring into the adapter until it latches into notch. The follower of your magazine will be pushed down when this is done

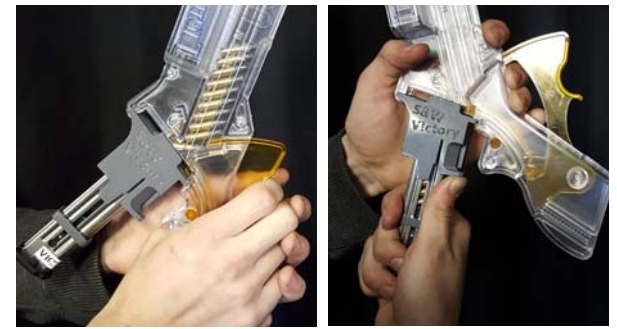

Adapter INSTRUCTIONS

for S&W Victory

Hold the loader in your left hand, and press the adapter lock with your thumb. With your right hand, hook the Mag Adapter into the top of the Lightnin' Grip Loader and swing the bottom into the slot. Take your thumb off of the lock button. It should pop out to the locked position when the adapter is in fully seated.

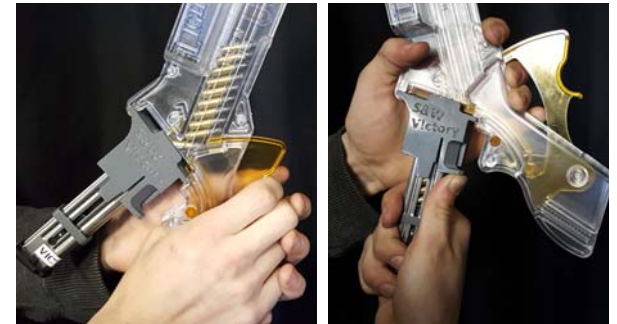

Insert your magazine through the small ring into the adapter until it latches into notch. The follower of your magazine will be pushed down when this is done

Be sure to have 10 shells lined up before loading and hold loader vertical.

To remove the magazine, while holding like pictured above, gently press down on latch and pull out.
